

3rd March 2020

Dear Parents/guardians

On Tuesday 10th March we warmly invite you to attend a phonics workshop. This is an opportunity for you to come and gain a deeper understanding of how we teach phonics and, ultimately, how we teach your children to read and write. We would strongly recommend that you attend so that you can support your child with the same phonics at home.

We are inviting you to come straight to the hall after you drop your child off in the morning. Mrs Turner will then deliver an explanation of how phonics are taught and a brief understanding of the theory supporting our approach.

We then invite you to stay and join in your child’s phonics lesson in either Reception, Year 1 or Year 2. You will be able to see phonics in action.

All parents are welcome from nursery to year 6, but only Reception, Year 1 and Year 2 will be modelling lessons - however all parents are more than welcome to join us.

Please indicate your interest by returning the slip below. The session will finish at 10am.

Yours faithfully

Mrs L Kilminster
Headteacher
