

The Reception Round-up!

Some of the lovely things we have been learning this week: SO proud of everyone's hard work! 🍌🍌🍌🍌🍌

Topic:

Next week we will be learning about **Healthy Living** - what this means, how we keep healthy, what sort of things we should do. We will also think about how we keep our teeth healthy and our experiences of going to the dentist. We will end by considering the importance of looking after the world we live in, too.

Phonics:

Sounds		
ng	ai	
Pre-cursive formation		
g	a	i

The children will be having a go to first read and then write words that have the sounds ng or ai in. They can even have a go at writing a few sentences that include words that have these sounds in. They will learn the formation of **g, a, i**.

Next weeks tricky words to learn:

he she we

Please help your child to learn to read these words and then learn to spell and write them. They could then think of sentences with these words in or have a go writing these sentences.

Maths:

Next week we will be teaching All About the Number 7. Watching **Numberblocks Series 2 Episode 2**. We will learn the formation of 7 **Across the sky and down from Heaven. Now I've made the number seven. Use numicon to help learn our number bonds to 7 e.g. 1+6, 2+5 etc.** Find different ways of making 7 using coins practically e.g. 5p+2p 2p+2p+2p=1p and finally, subtraction up to 7. There are also 7 days in a week – we will be learning them.

What's going on this week/notices/information:

PE kits: They need to be worn on **Tuesdays** and **Wednesdays** in school please. Also **Wellies** on **Tuesdays**.

Certificates: We honestly could have given every child in Reception a certificate this week as we are **SO PROUD** of each and every one of them, how well they have adapted and their amazing efforts in their learning. Please do let them know how proud we are and to keep it up!

Zoom: We thoroughly enjoy seeing the children on Zoom each day and Mr Queralt was so impressed with their attentiveness. We really look forward to looking through Tapestry and seeing the outstanding work that's being completed. We would like to thank the parents/carers at home who are supporting your children so fantastically with their home learning and thank you for the really, really wonderful support and comments of appreciation you send us. It means a lot.

Birthdays: For children who are working at home, we are very happy to sing Happy Birthday to them on our Zoom, please let us know when it's your child's birthday and we will give them a special mention and sing!
