Home Learning Information

Here are some websites and additional learning resource sites that you might like to access whilst your child is isolating. These will be additional to the online lessons that will be taking place.

Maths

Mathletics – carry out 2-4 activities each day www.mathletics.com/uk/

Phonics

Daily phonics practise: using the following website and children to play the game to read real and alien words relevant to the phase they are being taught in school.

<https://www.phonicsplay.co.uk/resources/phase/2/buried-treasure>

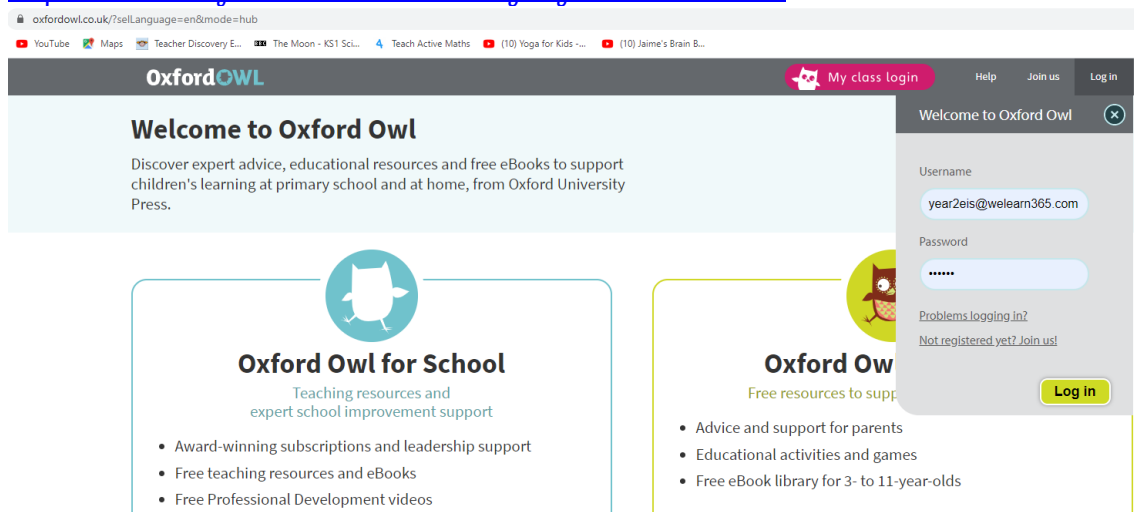

There are various phonics screening check videos on Youtube which are good to use as well – for example <https://www.youtube.com/watch?v=N8wsIajrsZE>.

Reading

Read school reading books every day and additional books that you may have at home.

If you don't have hard copies of books, you can access a whole range of books through the Oxford Owl website. We have created a login for Year 2 parents (use the 'login' button rather than the 'My class login').

<https://www.oxfordowl.co.uk/?sellLanguage=en&mode=hub>

The screenshot shows the Oxford Owl website interface. At the top, there is a navigation bar with 'My class login', 'Help', 'Join us', and 'Log in' buttons. Below this is a 'Welcome to Oxford Owl' section with a brief description of the site's purpose. The main content area is divided into two columns. The left column is titled 'Oxford Owl for School' and lists benefits like award-winning subscriptions, free teaching resources, and professional development videos. The right column is titled 'Oxford Owl' and lists resources for parents, educational activities, and a free eBook library. A login form is overlaid on the right side, featuring fields for 'Username' (with the example 'year2eis@welearn365.com') and 'Password', along with links for 'Problems logging in?' and 'Not registered yet? Join us!', and a 'Log in' button.

Oxford Owl Login Details:

Username: year2eis@welearn365.com

Password: @Year2

There are lots of great books in the 'Oxford Owl eBook library' or the 'Read Write inc. eBook Library' areas of the website.

Writing

This is the website to show the formation of the letters (continuous cursive beginners section):
