

The Reception Round-up!

Some of the lovely things we have been learning this week:

The children have enjoyed learning about Elmer and making some fantastic crafts! They have amazed us in phonics as this week they wrote either the initial sound they could hear in word or a word such as hat and they even managed pre-cursive!

Some of the things the children might experience next week:

Next week we will be learning about The Rainbow Fish and completely lots of lovely crafts and activities relating to this.

Next week the children will be learning two new sounds: **b** and **f**. We are focusing now on blending 3 sounds together, to read. E.g. c-a-t, p-i-n, or to write **cat**, **pin**. Please practice at home!

Pack of Resources for IF we suddenly need to close the Reception Bubble due to Covid.

Please don't be alarmed by us sending these resource packs home. They are simply resources that would make it easier for us to teach the children via Zoom, **IF** we need to suddenly close the Reception bubble. Please do not open them today, but only if we close Reception. Hopefully we won't need to use them! 🙌🙌🙌🙌🙌

Sign of the week!

This weeks sign has been 'sit down' and next weeks will be 'listen'.

What's going on this week/notices/information:

Writing: Next week we will slip into homework books a pre-cursive formation sheet. If your child is doing any writing as part of their homework, please encourage them to look at the sheet to see how to form each letter. All lower case letters begin on the line and go up. Please help your child take note of how tall each letter is and in their name too.

Christmas Play: Please continue to practice your child saying their line, using a clear, loud voice!

Wellcomm: Look out in bookbags for any more speech and language sheets, with games on and activities. These are specific areas that your child needs to practice further.

Story Sacks: We hope the children who have brought one home so far have enjoyed it. Please ensure that every item is returned. You can keep it for 7 days e.g. Friday-Friday / Wednesday-Wednesday, etc!
