Dear Children,

I do hope that you and your families are all well and that you are continuing to smile through some of the strange things that are happening at the moment.

There are so many brave and clever people across the world working together to make people better and to find a medicine that will help to fight this nasty illness, Coronavirus. At this time we have been asked to continue to stay apart for a while. By doing this, it will help to keep our loved ones safe and well.

Your teachers will continue to teach you and care for you in a different way for a while. Like me, they are missing you all very much and they are working extremely hard to plan learning that you can do from home. If you have not been able to do much of the work yet, don't worry your weekly timetables are being sent home to your grown-ups every Friday (they are also on the website). If you are having problems doing your work or getting onto the websites, please ask your grown-ups to email [admin3154@welearn365.com](mailto:admin3154@welearn365.com) (All Saints) or [admin2332@welearn365.com](mailto:admin2332@welearn365.com) (Emscote) and this will be passed on to your teachers to help you. Your teachers are still working everyday - some days in school and some days at home - so they will always be available if you need them (you may just need to be a little patient whilst they reply to you).

A few of you still need to come into school sometimes so that your grown-ups can go to work to help people who need them. I know that must feel very strange for you but you keep smiling and you keep working hard - well done! Keep up the good work children and try your best.

I have attached an online safety page to this letter. Lots of you are now spending more time online and you must ensure you remember all our online safety lessons. Parents please can you go through the online safety materials with your children and routinely check their browsing history.

I have been in touch with all of the staff and they all send their best wishes to you. I would like to wish you all a happy and safe Easter.

Sending love and best wishes.  
Stay safe children,

Debi Cossins
