

The Reception Round-up!

Some of the lovely things we have been learning this week:

The children really enjoyed the story of 'Rosie's Walk' this week and lots of lovely activities relating to it. The children worked hard in phonics trying to sort pictures that begin with a s or an a. Also having a super try forming the sounds using pre cursive writing!

Some of the things the children might experience next week:

We will be exploring the book, 'The Gruffalo'.

Next Friday the children will make 'Knobbly knee' cakes! Yummy! We will cater for the allergies we are aware of. **If you do not consent for your child to make and eat it in school, please let us know.**

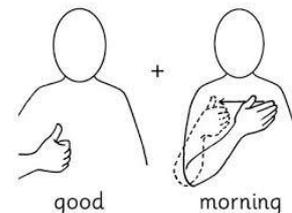

Next week the children will be learning two new sounds: **t** and **p**.

Last Friday we started giving certificates out for good work, kindness, super behaviour etc. We will upload videos to Tapestry of your child receiving a certificate and we make a special display in school with their photo on for the week!

Sign of the week!

We are going to be teaching the children a new Makaton sign each week, to assist in their communications skills.

What's going on this week/notices/information:

Reading books - Due to the need to quarantine reading books for 3 days before they can be given to another child, we will be alternating between each child having two new books some weeks and 1 new book the other weeks as there are not enough books to quarantine and have 2 books each time for all of the children. **Please ensure your child's reading pack is in school every day.**

Jumpers/Cardigans – A lot don't have names in so please make sure they are clearly named for us to be able to quickly see at a glance who it belongs to. In the neck label rather than down the side ideally. Also a Cherry cardigan has gone missing and is clearly named. Please can you check it wasn't brought home by another Cherry child by mistake.

Cooking- We aim to 'cook' with the children on a Friday about fortnightly. It would be greatly appreciated if you would be happy to make a voluntary contribution of £1 to enable us to buy the necessary ingredients. If you could put the coin in a named envelope and in your child's hand on Monday morning to pass to us, that would be Covid secure. Thank you!

Homework books- It is crucial that homework books come in **on Mondays** to give us time to quarantine them before marking them and sticking new work in. If they arrive in late, they will be unmarked and sheet loose in bookbag rather than stuck in. Please could the sheet then be stuck in at home.
