## Up-date on Bo Link

2019 is going to be an exciting year for the **One World Link** schools in Warwick and Leamington. On 9th Feb a group of four teachers, including Louise Letchford from Emscote, will be travelling to **Sierra Leone** to work alongside their partner schools on a "Zero Waste" project. Then in June we will receive four teachers from Bo to continue the project and celebrate the 10th anniversary **Day of the African Child** here at All Saints!

Please contact Mrs Garrett if you're interested in hosting some of the African teachers for a meal or for B&B in June.

## School Councillors visit Parliament on key day for British Democracy

30 school councillors from the Emscote Infant School and All Saints' C of E Junior School Federation visited the Houses of Parliament last Tuesday at the invitation of MP Matt Western and got a dramatic first taste of democracy.

On a tumultuous day for Britain and it's future relationship with Europe, the councillors had a very exciting visit which included meeting MP Caroline Lucas who is one of the joint leaders of the Green Party

They saw the amassed press camped out on College Green and a colourful collection of vocal Brexit supporters and protestors just outside the Palace of Westminster.

Who knows, we may have inspired a future Prime Minister!

## Parking around school

We are still having complaints from residents that parents are parking inconsiderately when dropping off and collecting their children. Please do not block drive ways, park on grassed areas or yellow hatching, thank you.

## School Payments

Wherever possible please make payments online at [www.eduspot.co.uk](http://www.eduspot.co.uk). You can make payments in advance and credit will carry forward in your account until used. If you need to send cash or cheques make sure items are in an envelope clearly marked with your child's name and what the payment is for. If you are having trouble accessing your online account please contact the office.

Year 5 have been doing orienteering as part of their outdoor PE activities. They have been learning how to navigate using a map. They also needed to mark where they had been and what they had found. Once they had gathered all the information they had to solve some clues together to find the final answer. Mrs Will and Mrs King were really impressed with their team working skills and how they organised their time. Well done Year 5!
