Naming School Jumpers

Now that the children are playing out on the field at lunch time it is especially important to label school jumpers as undoubtedly there are items left on the field when they come back in. It is amazing how many are not named ! Please write your child's name on the label and we can reunite them easily.

The return of the Deli bags!

Deli bags and blue bands are returning as of Monday 13th May, along with the new summer menu. Deli bags offer the children having school meals the opportunity to 'grab a bag' and sit outside with their friends.

P.E kits

Please make sure your children have the correct kit with them for P.E (white T-shirt and black shorts – preferably labelled).

Sports Day – Tuesday 25th June

The day will begin at 9.30am with 'Round Robin' Field activities. You are welcome to come along and watch your children compete in both morning and afternoon activities. Lunch will be from 12pm and you are welcome to bring a picnic to eat with your child on the field. Track races will commence at 1pm with the afternoon finishing by 2.45pm to enable younger siblings to be collected from Emscote.

Year 6 Trips

Year 6 are planning several trips for the summer term, including, a trip to Coventry Cathedral, a trip to a Mosque in Birmingham (which is being financed by Mission House and All Saints Church) and the children's choice to the Cinema and Pizza Express. There will also be an other trip yet to be determined, further information to follow.

Bedding Plants

If you have any bedding or vegetable plants that need a home we will be happy to take them off your hands to help with our entry into this year's Warwick In Bloom competition.

Emscote Infant School will be hosting a cultural and educational event focusing on Czech cultural traditions; offering children's activities, food and music. All nationalities are welcome to attend for a fun family day out. Sunday 2nd June 11am – 2pm.

Oral health

According to Public Health England almost a quarter of 5 year olds have tooth decay with an average 3 or 4 teeth being affected. Prevention is always better than cure, therefore please encourage and supervise your child/ren to clean their teeth twice a day and ensure they visit the dentist for a check-up every 6 months even if there are no problems with their teeth. **NHS dental care for children under 18 is free.** Children should also limit sugary food intake as we know that sugar harms teeth. You can speak to your Dentist if you have any concerns about your child's oral health. The opportunity to discuss any health issues relating to your child is always available and the School Health and Wellbeing Service can be contacted on 03300 245 204 or confidentially text ChatHealth Parentline on 07520 619 376.
