Dear parents/ carers,

To ensure the smooth running of school from June 1st please take a moment to read this letter containing all the information you will need for sending your child/ren to school. Even if your children have already been attending there have been changes to the current system so it is important you read this.

- Children are required to wear school uniform and will require their PE kits.
Please also bring clothing suitable for the weather because we will be going outside as much as possible, rain or shine.
- We ask children to bring their own snacks and drinks including enough water for the day as the drinks fountains will be turned off.
- School lunches will be in the form of Deli Bags which will be brought to the children. There will be no choice of contents. On week one we are going to provide hot deli bags and then cold deli bags the next week, we will then ask the children which they prefer.
- You can bring a packed lunch from home if you would prefer.
- Children will have their own equipment but can bring in a pencil case with felt pens, scissors, glue stick and pencil crayons.
- There will be no homework set.
- Children will be kept in their own 'bubble' with, as far as possible the same staff.
- There will be a staggered entry in the morning and at the end of the day to avoid the other bubbles.
- Movement around school will be limited as far as possible.
Playtimes and lunchtime will be staggered and children will stay in their own areas and will not be allowed to mix with children from a different bubble, and will be socially distant within their bubble.

Dropping off

- Please wait in cars with your children until you see a member of staff.
- If children are walking to school please line up with social distancing and wait on the spots provided.
- Please do not arrive early or late.

Collection

- Depending on your collection and drop off arrangements (See below) please only send one parent per child to pick up and stay in your cars where possible until you see a member of staff at the gates.
- **School will be closed on Friday afternoon for deep cleaning and PPA for staff to produce home learning and planning for the next week.**
