

RQT (All Phases) Programme 2019-2020

This programme is designed to support the development of teachers at the start of their career and to build on and develop the learning from the NQT year.

The programme will focus on practical tools to support teachers to develop their practice and to build confidence and presence in the role. Participants will have the opportunity to visit other schools as appropriate and as part of action research projects. There will be 6 sessions delivered across the year. The venue will be Morpeth, Mulberry or Olga - TBC.
