Parking at school

We have received a high number of complaints about careless parking by parents during drop off and collection times. We know parking is an issue for all but the zig zags are there to prevent congestion during these busy times. If parents DO NOT park on the zig zag's this will allow for free flow access and exit from school car parks and allow parents and pupils to cross the road safely using the zebra crossing.

We would ask that ALL parents please park with safety in mind and drive in and out of school carefully to avoid any accidents happening. Thank you.

Club 99 Success

Congratulations to Lily Ham (Crackington class) for being the first person in school to complete the Gold sheet of the 99 Club (consisting of 108 questions) in under five minutes. Using her amazingly quick number fact recall skills combined with her huge determination and resilience and all done with a huge smile on her face! Previously, she had completed the 99 Club sheet, followed by the 99+ sheet. The sheets have 99 quick fire mental questions, involving multiplication and division - including decimals, fractions and percentages - and they must be completed in five minutes. Outstanding Lily!

Wonderful Woolacotts!

A huge thank you to Woolacotts who have donated a microwave to Breakfast Club. This generous donation is much appreciated!

A plea from the PTA of Bude Primary Academy - BFF

For those of you who may be new to the school, BFF is a fundraising group who organise events and raise funds for the schools. Over the years, they have raised substantial amounts of money which has been used to purchase chairs, tables and playground equipment. In addition to this, they have given money to reduce the cost for the Year 6 Residential.

Following a meeting this week about the Fayre, we are in the process of organising a range of fun events for the children, but we desperately need people to help.

The Fayre will take place on Friday 19th July from 3pm until 4.30pm. We will be inviting Year 6 Children to come and help with a stall, but we will need more than this. We understand how busy life is but even if you could give up just half an hour to help then we would really appreciate it. Simply complete the form emailed to all parents stating when you could help and return it to either Kim Stephens at the Infants, or Claire Gibson at the Juniors. Remember that all the money raised goes to your children and their school. Thank you!

Attendance

We wanted to inform parents that we are considering the move to issuing fines to families who consistently book holidays during term time. This is a whole Academy approach which may be in place for September 2019. We will of course, keep you posted on this.
