

General Welfare Requirement: Safeguarding and Promoting Children's Welfare

The provider must promote the good health of the children, take necessary steps to prevent the spread of infection, and take appropriate action when they are ill.

Promoting health and hygiene

1.20 No-smoking

Policy statement for St Joseph's Pre-school

We comply with health and safety regulations and the Welfare Requirements of the Early Years Foundation Stage (EYFS) in making our setting a no-smoking environment - both indoor and outdoor.

Procedures

We have designated all the premises within the confines of the Pre-school setting a smoke free area. No one is permitted to smoke at any time on St Joseph's Pre-school and St Joseph's Catholic Primary School premises or in the outdoor area, including the car park and field area, at any time.

- All staff, parents and volunteers are made aware of our no-smoking policy.
- We display no-smoking signs.
- The no-smoking policy is stated in our information brochure for parents.
- Staff who smoke do not do so during working hours. Unless on a break and off the premises.
- Staff who smoke during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues, and ensure that their hands are washed before caring for any child.
