

Hello Y6,

I hope you're all OK! I will be uploading bits of work over the next few days for you to complete.

English: Your English work for the week is to work your way through the booklet.

Maths: I will upload your maths work each day – make sure you are trying just as hard as you do in school.

Other: I will also upload other bits of work for you to be getting on with.

Thank you and stay safe,

Mr Hall
