Head of School : Mr Tim Barnard

Dear Parents

I am delighted that hot meals are now back on the menu; and so were the children judging from the amount of them enjoying a roast yesterday! It is also great to be able to have the children together again at lunch time and playtimes.

This week the teachers have completed assessments for every child and will now begin planning the next steps to plug gaps; either whole groups or for children who may need some extra intervention or catch up sessions.

Our catch up funding from the Government will be used to support all of the children in various ways including new reading resources, targeted interventions focussing on phonics, reading and maths; and supporting the children's mental health and well-being. (Please see the document attached.)

On Monday, the Kernow Health team will be in school for the nasal flu vaccines. If you haven't yet given your permission and would like your child vaccinated, please complete the on-line permission TODAY since the portal will then close.

Remote Learning - Most children have now managed to log onto the home learning pages but please let us know if you are still experiencing problems. We understand that there is currently an issue with Sumdog and thank you for your patience while this is sorted out.

Parent Pay - with half term looming, please would parents make sure that their Parent Pay accounts are up to date.

Year 6 reminder – applications for secondary school places close on Saturday 31 October. Please make sure you make your choice before this date.

Reminder – Thursday 22 October and Friday 23 October 2020 are both inset days and school will be closed to pupils.

Birthday treats and sweets – we know that some children like to bring in birthday cakes or sweets to share when it is their special day. Since we do not want to stop this, especially on your child's special day, we are asking that you do not provide cakes. If you want to bring something in, please could you provide a bag of small wrapped sweets/chocolate bars (such as fun size packs) at least 48 hours beforehand. We can then 'quarantine' them ready for the big day!

*Please think nut free when packing lunches and snacks.
Thank you!*

Enjoy the weekend – it's nearly half-term!

Yours sincerely

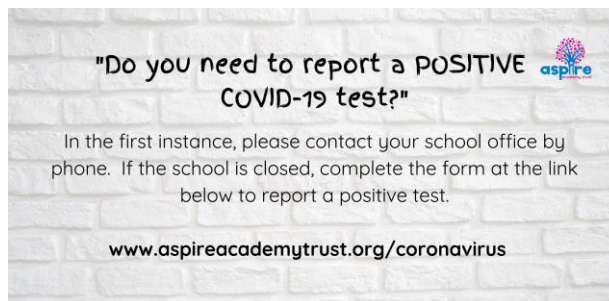

A handwritten signature in black ink that reads "J. Murray".

Julia Murray
Acting Head of School
