Head of School : Mr Tim Barnard

Dear Parents

We were really lucky to be able to welcome Tony and Phil to school this week as part of the mini police programme. Given the current Covid restrictions, the programme is being delivered outside making good use of the gazebo and the sunshine!

During our Safety Week, we have also watched the NSPCC assemblies which have been excellent and the children have asked some brilliant questions. Sadly, the RNLI will not be visiting as planned. The current rise in cases across Cornwall has meant that they have staff in isolation and the other team members are now needed to provide the necessary cover for our beaches. If you are heading to the beach, coast or any stretch of water this summer, please make sure you know the water conditions, pay attention to the flags, use life jackets on water crafts and consider going to life guarded beaches.

We have had some children displaying sore throat and cold symptoms this week. While children and family members have been tested and the tests have been returned negative, please do consider if it is sensible sending your child into school if they are poorly with a cold and cough. If another child becomes ill, this means that they will then have to be tested and so it goes on. Remember to report any positive Covid results by telephoning us, and using our on-line form out-of-hours.

"Do you need to report a POSITIVE COVID-19 test?"

In the first instance, please contact your school office by phone. If the school is closed, complete the form at the link below to report a positive test.

Thank you for your patience this week while we sorted out the mix up with Tempest. Hopefully the 'free delivery to school' option will now appear if you use the following link [Tempest Cusgarne](#)

The Friends of Cusgarne Need You!

The Friends of Cusgarne school (FOC) need your help in order to continue fundraising for our lovely school.

FOC are a group of parents that meet as a committee to discuss ways of fundraising to help purchase equipment such as the chrome books, funding of trips, new books, the staging for productions, the list goes on. It has been a difficult time through the pandemic as we have obviously not had the usual wonderful events at school in order to fundraise.

*We also have not been able to meet as a committee. We have unfortunately lost our wonderful Chair, Cara Dale, whose daughter is leaving as a year 6 at the end of this term. I want to take this opportunity to say a massive **thank you** to Cara, she has worked hard behind the scenes and has been the most wonderful Chair. Sally and I (Tammy) would also like to take a back step as Treasurer and Vice Chair. This means there are roles that need filling within the committee.*

But we also need more members as a whole. We would love new ideas and a fresh start and enthusiasm. We need you!

*So..... I would love to invite parents to Richard Jory playing field on **Thursday 8th July at 1pm** to have a coffee, chat and we can fill anyone in on what's involved. This will be outside and socially distanced. Could I ask that you bring your own cup of tea or coffee in your favourite travel mug! (Sorry just keeping safe!). It does not matter how little or much time you can spare, we would appreciate your support to keep going. Mr Barnard will be joining us on the 8th also which is great, we have always had full support from school. So please come along, it will be a great chance to chat and get to know other parents. It is great fun being part of FOC and organising events and seeing the benefit the extra money has for our school and the children.*

Best wishes

FOC

Finally please also have a read of the teaching arrangement letter which sets out details for September.

Have a super weekend.

Yours sincerely

Tim Barnard
Head of School
