

## Cusgarne Whole School Long term planning- Two Year Curriculum Rolling Programme- Science and Humanities-updated 2020-21

<b>EYFS</b>	<p><b>Understanding the World (The World)</b> Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another. They make observations of animals and plants and explain why some things occur, and talk about changes.</p> <p><b>Physical Development (Health and Self-Care)</b> Children know the importance for good health of physical exercise, and a healthy diet, and talk about ways to keep healthy and safe.</p> <p><b>Understanding the World (People and Communities)</b> Children talk about past and present events in their own lives and in the lives of family members. They know about similarities and differences between themselves and others, and among families, communities and traditions.</p> <p><b>Understanding the World (The World)</b> Children know about similarities and differences in relation to places, objects, materials and living things.
