Dear Parents

Teaching Arrangements for 2021/22

The summer term is flying by, it has been a tough year for everyone but I am really proud of how well our children, families and staff have rallied together and adapted in tricky circumstances, and for this I thank you all for your continued support. I am thoroughly enjoying being back at school with all your wonderful children, I'm sorry that I was absent from school for a long period of time this year. The few of you that I have managed to speak to in the playground briefly, it has been so good to catch up again and see familiar faces. I really look forward to catching up with you all over time. I am making good steps forward in my health recovery, and am continuing with my phased return, and am in school every day, albeit it not full time yet. Mrs Murray continues to support me, and the school where necessary.

We are now looking ahead to the next school year and I am pleased to be able to set out the teaching arrangements plan for September:

In Robin class, there will be Year Reception, Year 1 & Year 2, with Mrs Turner as the lead teacher and myself providing additional teaching support, with Mrs Denton and Mrs Northey supporting.

In Starling class we will have Years 3 & 4, being taught by Miss Palmer, with Mrs Lanyon as classroom support.

Kingfisher class will consist of Years 5 & 6, taught by Mrs Murray, and supported by Mrs Ireson.

The rationale behind these arrangements will enable us to provide consistency, stability and continuity for children in all year groups, but will also allow us a degree of flexibility if we are still faced with restrictive measures and guidance come September (like you, I really hope this is not the case, but we must be prepared).

Head of School: Mr T Barnard

Working with a committed team who always endeavour to provide the best education and support for our children is a privilege, and we have some fun activities planned for the final weeks of this term, which we know the children will love! I hope the sun continues to shine, and that we can all feel stronger from increased opportunities to come together with each other and re-establish connections within our community.

I look forward to catching up with you in the playground soon!

Kind regards

Tim Barnard
