Chenies School Friday Letter

This Week:

Dear Parents and Carers

It has been an excellent first, full week, the children have brought in a very positive attitude towards their learning and behaviour. In our assembly on Monday we talked about our Star Rule: **Work hard and be responsible for your learning.** Through the school we have seen a lot of evidence that children are really trying hard to be responsible for their learning, not only by focusing on what will make their work good, but also on how to keep improving their work.

In class the children have been getting stuck into their topics. Phoenix are enjoying their topic of 'Toys' enormously, there seems to be far too much fun going on in there. In Pegasus the children have been unearthing all kinds of historical facts as they work through from the Stone Age to the Iron Age. Griffin are exploring and learning much further afield in their topic of 'Stargazers'.

Thank you to all the children who have entered paper plates for the Chenies and Latimer Produce show, which is being held in the school hall this weekend, the plates look fantastic. Good luck to all the entrants.

Wishing you all a wonderful weekend

Parent Pay:

Dear Parents/Carers

We had a couple of technical issues at the beginning of this week with the school meals till. Charges for any meals taken on Sept 10th or Sept 11th will show as an amount on Sept 12th, in addition to any meal taken on Sept 12th. If there are any problems please let the office know.

Please can we remind all parents/carers to keep their ParentPay meals account in credit to save additional time consuming work in the office chasing arrears.

Many thanks.
