- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.

Annex A

Remote Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we have to be prepared for local lockdowns. In the event of a local lockdown, the school will implement provision for remote learning, so pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines how we will deliver remote education during the pandemic.

1. Contingency planning

- 1.1 The school will open to all pupils at the start of the Autumn term, in line with national and local guidance.
- 1.2 The school will work closely with the LA to ensure the premises is 'COVID-secure', and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 1.3 The school will work closely with the local health protection team when entering into a local lockdown and implement the provisions set within their contingency plan.
- 1.4 The school will communicate its plan for a local lockdown with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 1.5 If there **is not** a local lockdown, but a single class or 'bubble' needs to self-isolate, video learning sessions will not be facilitated by your child's class teacher if the teacher is the one experiencing Covid symptoms or is unwell.

2. Teaching and learning

- 2.1 All pupils will have access to high quality education when remote working.
- 2.2 The school will use a range of teaching methods to cater for all different learning styles, this includes:
 - Current online learning portals – Microsoft Teams
 - Quizzes
 - Online materials
 - Educational Websites- e.g. Oak Academy
 - Pre-recorded video or audio lessons
 - Various reading tasks – e.g. comprehension, inference and prediction
 - Daily challenges

- Times Table Rock Stars (KS2)
- Mental Health/ Well-being activities/Jigsaw

2.3 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.

2.4 When teaching pupils who are working remotely, teachers will:

- Set assignments so that pupils have meaningful and ambitious work each day.
- Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
- Provide frequent, clear explanations of new content through high quality curriculum resources, including through educational videos.
- Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.

2.5 All provisions for remote learning will be subject to the class group's age and ability.

2.6 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not make the decision lightly.

2.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.

3. Returning to school

3.1 The headteacher will work with the LA to ensure pupils only return to school when it is safe for them to do so.

3.2 After a period of self-isolation, or the lessening of local lockdown rules, the headteacher will inform parents when their child will return to school.

Annex B

What 'remote learning' can I expect from Portesham Primary School?

This information is to be used as a general guide and parents can expect further details of remote learning for their child as and when it is required. We aim to implement remote learning from your child's second day of absence. There are two general scenarios outlined below; the first scenario where your child is not permitted to attend school and the second outlines the actions in the case of a whole bubble not being permitted to attend school.

The government's Oak Academy online lessons can be used for remote learning for every year group, covering a wide range of curriculum objectives. <https://www.thenational.academy>

As explained at the virtual sessions for parents 16.09.2020, we will be using Microsoft Teams to facilitate remote learning. When required, your child will be issued the necessary email and login details.

Circumstance	Remote Learning
<p>My child (and their siblings if they are also attending Portesham Primary School) is absent because they are awaiting test results and our household is required to self-isolate. The rest of the school bubble are attending school and being taught as normal.</p>	<p>From the second day of your child's absence:</p> <ul style="list-style-type: none"> ● Maths lessons – at the end of the school day, the class teacher will upload materials used during their daily maths lesson to your child's Teams account.. This may be a combination of White Rose Maths videos (the scheme we use in school), screen shots/photos of the classroom whiteboard and worksheets – these are for children to complete at home. Answers will be provided! You may also be signposted to Oak Academy lessons if appropriate. ● Literacy Tasks for Key Stage 2 – at the end of the school day, the class teacher will upload materials that will allow your child to follow the sequence of lessons being covered in school. The quantity will depend on the age/stage of your child. Some tasks will need to be 'handed in' via Teams – this will usually be in the form of a photo uploaded to show what they have done. You may also be signposted to Oak Academy lessons if appropriate. ● Read Write Inc. Phonics sessions for children in Reception and Key Stage 1. The class teacher will upload materials so you can work on the sounds that your child is missing. ● Learning Dimension – The class teacher will set tasks that cover what is happening in school. Where specific materials are required (for example clay for an art focussed task or science materials) they will make suggestions of other things you could do remotely. You may also be signposted to Oak Academy lessons if appropriate.
<p>My child's whole bubble is not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19</p>	<p>On the last school day before the closure your child will be sent home with:</p> <ul style="list-style-type: none"> ● A copy of their Target Booklet which will show the specific targets that your child is working towards ● A handwriting pack for daily handwriting practice ● A spelling pack, showing what spellings they need to be focusing on (you could always do a weekly spelling test at home!)

<p style="text-align: center;">OR</p> <p>We enter another 'lockdown' with total school closure</p>	<ul style="list-style-type: none"> • A pack of 2 days' worth of Maths and Literacy Learning – this will enable staff to prepare for full remote learning from day three. <p>From Day Three:</p> <ul style="list-style-type: none"> • Maths lessons – The class teacher will upload materials for a daily remote maths lesson to your child's Teams account.. This may be a combination of White Rose Maths videos (the scheme we use in school), screen shots/photos of the classroom whiteboard and worksheets – these are for children to complete. Answers will be provided! You may also be signposted to Oak Academy lessons if appropriate. There will be small group video learning sessions (see below). • Literacy Tasks – The class teacher will upload materials that will allow your child to follow the sequence of lessons that had been planned to be delivered in school. The quantity will depend on the age/stage of your child. Some tasks will need to be 'handed in' via Teams – this will usually be in the form of a photo uploaded to show what they have done. You may also be signposted to Oak Academy lessons if appropriate. • Small Group Video Learning – These will differ depending on the age of the children involved. They may be guided reading sessions, phonics session, maths sessions or writing focused.* The sessions will run throughout the usual school day hours and staff will be in school delivering them. The frequency and timings of sessions for your child will be communicated through their Teams account. • Learning Dimension – The class teacher will set tasks that cover what had been planned to happen in school. Where specific materials are required (for example clay for an art focussed task or science materials) they will make suggestions of other things you could do remotely. You may also be signposted to Oak Academy lessons if appropriate. • 1:1 Support – If your child receives 1:1 support and they are isolating, a more bespoke package of support will be set up. This may include phone calls/video chats with their TA. They will usually be expected to still complete the learning set for them on their Teams account.
---	--

*The video learning sessions will not be facilitate by your child's class teacher if the teacher is the one experiencing Covid symptoms and is the reason for the bubble closure. We know that you will understand that the health and wellbeing of our children, families and staff is paramount.
