

Portesham Primary School
Impact of spending
Disadvantaged Pupils 2017/18

Spending area	Actions	Cost	Impact
Uniform	Pupil Premium children and families who have financial difficulties are given uniform where appropriate. This increases inclusion and removes a barrier to learning.	£200	From September 2017, 9 families have used this facility. This provides a sense of belonging for children and children and families report a high level of satisfaction with school.
Income based free school meals and school trips	Ensure all children are included and have access to school meals and trips.	£700	All pupils feel included and are able to attend all school trips, irrespective of cost implication. Parents feel financially supported.
Breakfast club	Breakfast club is provided free of charge for targeted children who would benefit from a more positive start to their day before arriving in class. This improves readiness to learn and attendance.	£350	
Raising Attainment	To enhance provision for pupils who require more support to achieve expected and better progress, additional teaching assistant hours employed to offer targeted group work, 1:1 teaching and 1:1 intervention. Additional experienced TA appointed to support learning in Year 5 and 6.	£12,500	See Outcomes Report – very strong Year 6 performance by PP children. Teachers feel supported and confident delivering Quality First Teaching to all pupils and have high expectations of all pupils. FFT training for member of support staff.

Lexia	We have invested in a fixed number of licences for targeted children. This supports and enriches children's learning in English and strengthens the capability of vulnerable families to complete home learning.	£250	All children reported greater confidence in their reading and spelling and monitoring of usage shows good engagement.
Wider Provision	Financial support is given to PP children to access extra-curricular activities.	£500	We have funded Cubs and extra-curricular activities for a variety of children.
Enrichment	To provide experiences and curriculum enrichment opportunities that children may not normally access to enhance their learning and aspirations.	£1,700	Good attendance at sessions offered.
