## Star Reading Charts

Dear Parents and Carers,

In Year 2, we are launching the use of Star Reading Charts to recognise all the reading that children are doing at home and encourage children to increase the amount of reading they do outside of school.

Each child will have a reading chart in class. When children have read at least three times a week at home (with this being recorded in their reading records), they will be able to put a star sticker on their reading chart. Children who have read five times a week will be able to put two star stickers on their reading charts. When children have completed a reading chart, they will be awarded certificates and will be able to select a reading prize!

Children can read independently as well as to an adult or sibling. We have also been encouraging the children to write comments about the books they have read and they will have the opportunity to complete book reviews.

Thank you for your continued support.

Yours faithfully,

Mrs. Okai and Ms. Burles
