Healthy Lunchboxes

In our endeavor to work towards healthy lifestyles we are delighted to see so much variety of foods in lunchboxes and would encourage everyone to continue to consider this when planning your child's lunch,

PTA

The PTA 100 club is a draw that takes place each month with a prize of £35. There are several numbers spare so if you haven't already got a number please take part. It is £12 for the year.

Thank you also to the PTA for the Macmillan Coffee Afternoon which raised £183. The PTA Newsletter has been sent home this weekend with our upcoming events for your diaries.

PARENT'S EVENING

Our Autumn term Parent's Evening will take place on **Wednesday 17th October 2018**. The main aim of this meeting is to meet your child's class teacher and find out how they have settled into their new year group.

We will be releasing the time slots for parents to sign up to on **Tuesday 9th October at 6pm**. **Your child will bring home a user name and password on Monday with instructions of how to sign up.**

Due to the start of flooring work in our Year Two and Three classrooms, we will not have access to the rooms. Therefore, no year group will have books for you to see at this time. We will however, invite you to come in to see your child's work during the second half of the term.

Unfortunately we will not be able to provide a crèche during Parent's Evening but your child is welcome to sit with you and wait during your meeting.

**PARENTS
EVENING**

Pick up and pray

Thank you to Mrs Schofield and Year Six for a calm and very spiritual collective worship on Thursday, and to those family members who were able to join us.

On **Thursday 11th October** the parents / carers of **Year Five** class are invited into school at **2.45pm** to join the class for a Collective Worship.

LYPA

Lancashire Youth Performing Arts had a wonderful time delivering drama workshops to our KS2 children on Monday. The children thoroughly enjoyed working with LYPA as they developed their imagination and characterisation using the spacious hall in the heart of our school. The area allowed children to confidently express their individuality and work respectfully with each other. Sharon Powell LYPA's principal said " The children at St Lewis' are fantastic to work with as they are full of imagination; they listen to instructions and carefully consider their response. They are a pleasure to teach!" Please return your reply slips in the box at reception for your child's chance to win free sessions at LYPA on a Sunday or telephone Sharon to join on 07801 965 104.

Halloween Disco

The very popular **PTA Halloween Disco** will take place on **Friday 2nd November 2018**. It will be held in the school hall from **5.30pm until 7pm**. Tickets are **£2.50** but you can also pay on the door.

Building Work

Over the coming weeks we are pleased to share that some of our classes and corridors will be having new flooring due to money provided by the Archdiocese. We are very grateful for this and look forward to seeing the work complete. Whilst this takes place, we may have some disruption in the Year Two and Three classroom but will ensure the safety of our children at all times.

Art Day

On Tuesday 9th October all classes are looking at the work of different female artists. Each class will be learning about an artist and will use a range of techniques and strategies linked with their artist.

We have chosen female artists this time to celebrate the Year of the Woman.

We look forward to sharing our wonderful displays of work with you when you visit school.

World Mental Health Day

Wednesday 10th October is **World Mental Health Day**. All children will take part in one short activity in class to promote and support the importance of mental wellbeing and looking after our minds as well as our bodies.

Following in the footsteps of St Lewis..

Happiness is not something ready-made. It comes from your own actions.
