

Dear families

Today is the last day of the Spring Term which marks the start of the Easter holidays. We appreciate that it isn't feeling anything like the 'normal' end to a term and this week has seen us all make big adjustments to new ways of living. Thank you for supporting school as we navigate our way through unprecedented times.

As it's holiday time, enjoy the holidays! As we've already said, there's no expectation or pressure to keep on top of learning class teachers have emailed or added to class website pages. It is being provided to support you through school closure time. We will leave you all be for a week or so!

Next week, school will be closed and we thank you all for making child-care arrangements which means they can stay at home. We will review the need to open school again on Friday 3rd April; expect an email confirming the following week's arrangements this time next week. Critical workers and vulnerable families are encouraged to let secretary@st-day.cornwall.sch.uk know should you need child-care support for the week beginning Monday 6th April - you will have received a separate email about this.

Class teachers will operate within school hours should any email correspondence require a response.

We are very grateful for all the lovely messages and hearing what the children have been up to. Please note that emails which are discourteous or abusive in tone will not receive a response and we will seek alternative ways of communicating with you - this may mean you don't receive important information in a timely fashion. Should you require us urgently, you can email secretary@st-day.cornwall.sch.uk and we will ensure your email reaches the right person.

On that note, please enjoy the 'Good Egg Hunt'; we'd love to hear how many 'Good Eggs' you find!

Enjoy the holidays

From all at St Day and Carharrack Community School
