Friday	P.E Kit	

Spring Term 2020 Year 6

Pondhu
Primary School

Dear Parents / Carers,

This term the real focus will be on preparing your child for both the Key Stage 2 Sats (in the week beginning 11th May) and for Secondary School as a whole, while still teaching a broad and balanced curriculum.

All three areas to be tested (Maths, Reading and Spelling, Punctuation and Grammar) will be worked on daily to give your child the best chance of achieving the level they deserve to be taking onto secondary school. Many thanks again for your support,

Mr Martin and Mr Hatton

English:

This term, linking to our topic, we will be looking at:

- Persuasive writing – writing to our MP.
- Factual reports – on a local environmental issue.
- Explanation Texts – on how animals are classified scientifically.
- Narrative (story) writing – linked to our Environment topic
- Poetry – linked to our Environment topic.
- Discussion texts - on the environmental challenges we face today.

Maths:

This term we will be working on:

- Fractions (including decimals and percentages).
- Measurement (including converting between different units of measurement, time, perimeter and area).
- Ratio and Proportion.
- Algebra (including using simple formulae and looking at number sequences.
- Statistics – using line graphs and pie charts.

Things to remember:

- PE Kits should be kept in school all week.
- Children are expected to read, and record this in their reading records at least 5x a week.
- Spellings and Homework are given out on a Thursday
- Spelling Tests are conducted on Wednesdays.
- Times Table tests are conducted on Wednesdays.

Year 6 Spring Curriculum

Topic	This term, our topic is on the Environment. We will be looking at the challenges facing the planet, and possible scientific and technological solutions to the problems. We will look at issues on a global and a local scale.
Science	In Science this term we will be studying 'Living Things and their Habitats' and Evolution and Inheritance.
PE	Year 6 will looking at hockey/ rugby for outdoor physical activities whilst developing gymnastic/ dance skills indoors.
PSHE	PSHE this term will focus on children's understanding of respect. We have been fortunate to receive stay Safe workshops, teaching children about all types of bullying and how to protect themselves from it.
RE	What is the Church? Reintroducing Hinduism
MFL	French – Then and Now
Computing	Children will be further developing their knowledge of coding to understand how to debug, code and create their own programmes.
Geography	Map reading – on a range of scales. Volcanoes and Earthquakes, Rivers and Oceans Comparing and contrasting a range of localities.
