

Rivers and Oceans
Year 3 2021
Homework

Research the different layers of the ocean and draw a picture to include a sea creature that would live in each layer.

Research and compare the River Thames to the River Nile.
Present your ideas as a poster/information booklet/powerpoint/leaflet etc

Create a quiz relating to your learning about the Rivers and Oceans of the world and test a family member!

Research an ocean creature and write a fact file.

Organise a beach clean with your family members.

Create a sea inspired collage. You could use natural materials found on a beach or different coloured papers/tissue papers to create your desired effect.

Choose any Pacific creature and make a model of it using materials you can find at home.

Research and find out about sea-shanties. Then write and perform your own sea-shanty.

Imagine you are the captain of a boat sailing across the Pacific Ocean- write a diary entry about part of your journey

Write a persuasive letter to your local MP about the effects of plastic pollution in our oceans.

Plan a journey from Lands-End to John O'Groats. Using an atlas write down all the counties you will travel through and Rivers you will pass over.

Design a ship of your own to sail across the oceans of the world. Draw and label your ship with all of it's unique features and don't forget to give it an adventurous name!

Find out about a 'myth' that might have been told about ocean creatures

Imagine you are a sailor who sees a sea strange creature. Write an eye-witness report.
