Class Structure Changes

Following on from our meeting with Year 2 Parents and Pupils there will be a change in our class structure for 2019/2020. Having received official notification of our new starters, we have identified a large imbalance in pupil numbers that will affect both classes next year. We are therefore restructuring our classes, so that Class One will incorporate Reception through to Year 3 and Class Two Year 4 through to Year 6. This will balance the classes but importantly provides continuity in teaching for current Year 2 pupils, with Miss Ferguson, building on their successes in Key Stage One into Key Stage Two. With the children's help we are currently renaming the classes and will let you know the exciting outcome after half term.

ATTENDANCE

Good attendance is vital for learning. The national minimum expectation is set at 96%. Please help us achieve this and support your child's learning.
