

Maths

We will be focusing on number and understanding Place Value. We will link this to Romans through Roman Numerals and Mosaics. We will explore how to solve problems. We will work hard to learn our multiplications and have weekly tests.

Science

We will be looking at the human body and its functions so we can be healthy and fit Gladiators. We will look at how a Gladiator can protect their body and what nutrition is important to support them in their fights. We will look at Roman food leading them to understand their digestive system. We will investigate different forces and explore magnets to create Roman weapons.

Computing

We will learn how to keep safe whilst using the internet to research Romans. We will use Microsoft Word to create our own fact files and learn about coding.

English

This topic we are linking our learning to the book called 'Thieves of Ostia'. We will be learning about the Roman Gods and use this to create our own Myths. We will learn about the life of a slave and write our own diaries. We will research and create non-chronological reports about Gladiators and their weapons. We will write instructions and rules linked to Chariot racing and we will have fun writing our own mystery stories linked to Roman times.

ROMANS - INVICTUS

DT

We will be looking at Roman villas and designing our own floor plans. We will have great fun designing, building and evaluating our own chariots.

PE

We will be learning a range of skills in our Roman games of Tag Rugby, Football, team building and a battle dance.

History

This term we will be learning about Gladiators. We will work our way up from a slave to gladiator to a freedman.

We will learn how Romans lived and what impact they have on our lives today.

We will find out about different weapons and compare gladiators and soldiers to understand how their lives differed.

We will discover what leaders the Roman Empire had and learn about their roles.

Music

We will be listening and creating music to create different moods.

PSHE

- Being Me in My World.
- Celebrating Differences.

RE

- What is the Trinity and why is it important for Christians?
- What do Hindus believe God is like?

Art

We will look at mosaics and how to mix paints for effect. We will practise our sketching skills and look at different Roman designs.
