

### English

In English, our class book will be *The Saga of Eric the Viking*. We will be exploring Viking God and Goddesses to create our own myth, writing instructions on how to build a Viking Settlement, as well as writing non-chronological reports on life as a Viking. In the second part of the term, we will be discovering an important historical person and writing a biography about their life. A horrific event is heading our way in which we will need to write a journalistic report, as well as a diary recount.

### History

In History, we will be exploring who the Vikings were, what they did and where they came from. We will be taking on board how the Vikings lives differs to the lives of ourselves in the present day, by working within our own Viking settlement. We will also be looking at key events in the Viking era and plotting dates onto a timeline.

### Maths

In Maths, we will be focusing on number and understanding Place Value, as well as exploring how to solve problems and strengthen our reasoning skills. We will work hard to learn our multiplications and have weekly tests.

### RE

In RE, we will be learning about what do Christians learn from the creation story, as well as how do festivals and family life show what matters to Jews?

### Science

In Science, we will be learning all about the human body and its functions so that we know how to keep a Viking Warrior healthy. During this, we will look closely at the skeleton, muscles, digestive system and teeth. During the second part of the term, we will be exploring food chains and understanding predators and consumers. We will need this understanding to piece clues together and solve a mystery in our settlement.

## Invaders and Raiders

### Music

In Music, we will be learning about a range of different genres. We will be using this term to create our own musical notations and for the children to compose their own short musical sequence to express a battle.

### PE

In PE, we will be focusing on gymnastics as well as football and rugby as contact sports. Inside PE will take place on Tuesday and Outside PE will take place on Wednesday.

### ICT

In ICT, we will begin the term by learning about internet safety. Then we will be learning about Microsoft Powerpoint and how to create our own Powerpoint, using images, photographs, facts and manipulation of text and slides.

In the second part of the term, we will be learning about coding and creating an animation on Scratch.

### Art and Design

In Art, we will be exploring mixed media collage work, with influences by Megan Coyle.

We will also be designing and sculpting our own clay pottery with carved Borre inspired designs.

### Design and Technology

In DT, we will be exploring scientific mechanisms to help us design and make our own catapults to defend our settlement during an Anglo-Saxon raid.

### French

In French, we will be learning greetings, numbers and Christmas.

### PSHE

In PSHE, we will be learning about Being Me in My World and Celebrating Differences.
