Headteacher: Mrs Wendy Mitcheson

Dear families,

There is an exciting and fun opportunity for families in our school to attend the 'Centre for Life' for an entire school day on **Monday 1<sup>st</sup> June, FREE OF CHARGE.**

The Centre for Life have kindly offered this day to enable families to work together on a range of Scientific activities, which will be held in the Junior Science Lab. The activities will allow children to Scientifically explore and discover, whilst preparing them for life beyond school.

As it will be on a school day, there will be some members of Broadwood staff also at the Centre for Life joining in the activities with you. We would, however, expect families to make their own way to and from the venue (this will not affect your child's attendance). There will be a designated area set aside for you to enjoy your packed lunch - and it is a family event so you would be able to take younger children with you.

This is a fantastic opportunity and we do hope some of our families will be able to attend this event.

We also appreciate some of our families work, and therefore Centre for Life will be offering similar opportunities during the summer holidays.

If you are interested in this activity, could you please return the slip below by Friday 28<sup>th</sup> February so we are able to let the Centre for Life know how many people will be attending.

Yours Sincerely

Mrs Wendy Mitcheson  
Headteacher

Name of child \_\_\_\_\_ Year group \_\_\_\_\_

We would like to attend this family day. There will be \_\_\_\_\_ of us attending the event.

We will be able to make our own way there and back.

Signed \_\_\_\_\_
