Embracing Learning. Inspiring Ambition. Celebrating Individuality.

Monday 23rd September 2019

Dear Parents/Carers

Further to my letter regarding social media sites being used and the impact these can have on the school community I am delighted to inform you that P.C Steve Stoppard will be running an **Internet Awareness Meeting for Parents/Carers on Monday 7th October @ 2.00-3.00 p.m.** This will be held in the school Hall. As stressed before your child's safety and our duty of care to you and your families is always a high priority at St Stephens Community Academy. P.C. Stoppard will also be giving advice how to keep your child safe at home from the hazards and issues related to social media, gaming and other devices such as phones and tablets.

I do hope most of you will be able to attend –we are very grateful to P.C. Stoppard for his time and his support with this cause. Once again I cannot stress the severity of how on-line actions can impact on others and your child so it is always good to have up to date practical advice to support safe practice.

I appreciate your co-operation in this matter and hope to see you at the meeting Please can you complete and return the form below ASAP so we know how many people can attend. Thank you to our PTFA who will be providing refreshments at the event.

Yours sincerely

Maura Furber
