## GB ATHLETE TO VISIT DUNDRY!

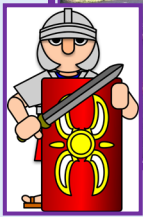

We are pleased to be supporting GB Athletics when we host a top athlete at school on Thursday 8th November. Alongside the visit, which will include each class having an inspirational session with the athlete and an assembly based on winning mindsets, we are hoping the children will take part in the event by asking family and friends for sponsorship. Money raised will benefit both the school and GB Athletics. By reaching 'Gold' sponsorship (£30.00) your child could receive wristbands, stickers or signed posters.

## Oak - Roman Shields

Wednesday the children were organised into The Tortoise or 'Testudo' formation to understand how and why the Roman Army was so effective. Children stood fast in their formation and stayed safe throughout by deflecting spears, arrows and rocks (PE softballs and beanbags) from the Celtic aggressors. This will be presented to parents soon in our Class Assembly.

## Sycamore - Outdoor Learning

On Monday children went on a mini beast hunt during outdoor learning. They looked at what made good habitat and returned to school to create their own bug hotels. See if you can find the hidden habitats.

volunteers who can give up some time to help us with this huge admin task. Please see Mrs Harrison if you can help.

### Volunteers needed!!!

We will be implementing a new reading scheme for year 2 upwards after half term. This will have a huge impact on the children's enjoyment and progress in reading. All books in the library need to be coded and labelled. So, we are seeking

### *Church Reopening*

A small and dedicated group of pupils sang beautifully when representing the school at the reopening of the village church recently.

Mrs Perrett led the children in song at the event which saw over 300 people visit during the weekend.

To say 'thank you' the children were called up in assembly to take a gift from the prize box. Also on show at the reopening was our fabulous mosaic, which will soon be hanging in a prominent place at school.
