School Matters!

Attend Today, Achieve Tomorrow

It was wonderful to present our termly attendance certificates this afternoon.

So far this year, we have 40 children who have 100% attendance, what a great achievement. We have a further 7 children with 'excellent attendance' of above 98% for the term.

Children who achieved 99% attendance for the year will receive an engraved medal – this means any children who has 2 days or less off between September 2018 and July 2019.

After break, the children will be able to start a fresh attempt to gain 100% attendance certificate for Term 2 – I wonder if we can beat this term's records?

Our attendance is just below the national average. Let's see if we can improve that next term.

Have a great break everyone.
