

Walbottle Village Primary School - Scheme of Work - Autumn 2019

Topic - Year 1

Topic Theme and Overview:

This Toys unit will teach your class about popular toys through the 20th century and the early 21st century. Firstly, it asks the children to think about their favourite toy from today before moving on to look at toys which were popular when their parents and grandparents were children. Throughout the unit, the children will develop a range of historical skills such as: asking and answering questions, identifying and interpreting different sources and recognising change and exploring how this influences them today. A range of learning activities are used in this unit which include: drawing discussions, role play and games as well as writing tasks to encourage the children to fully engage in lessons.

Work outcomes

Objectives

ALL

- Explain what they know about toys today.
- Explain how we can find out about the past.
- Describe features of different toys.
- Recognise old and new toys.
- Use words relating to the passing of time.

MOST

- Identify different sources we can use to find out about the past.
- Ask and answer simple questions.
- Compare two toys from different time periods, identifying similarities and differences.
- Use words and phrases relating to the passing of time.

SOME

- Begin to question and debate the reliability of sources.
- Think of some questions for their own enquiries into other aspects of everyday life which may interest them, for example food or houses.
- Compare two toys from different time periods, identifying similarities and differences and begin to suggest reasons for this.

New vocabulary:

Victorian, past, present, timeline, future

Supporting Reading:

A range of non-fiction texts linked to the unit

Supporting Writing:

Message in a bottle

Supporting Numeracy:

Compass directions

History

British Values:-

Children will be able to work together and listen to each other ideas and views.

Tasks/activities informed by National Curriculum:
