FRIDAY LETTER

Dear Parents and carers,

Remembrance Day

We hope everyone has seen the beautiful artwork at the front of school. If not please take a moment to read the poems and appreciate the stunning paintings alongside our poppy display. Remembrance Day is usually a day when the residents and friends of Crookhill Primary join our older pupils for a morning of remembrance and thanks, and we have missed sharing that special time together this year. Our school House Captains accompanied me to the memorial garden on Wednesday at 11am to lay a wreath and each class held their own mini assembly and reflected in their own way.

Children in Need

Today is Children in Need Day and we have raised £123 in school towards this fantastic cause, thank you to everyone who contributed.

Photograph orders

Thank you so much to everyone who has sent their photograph orders in so far. Please remember there is no obligation to buy but if you do want to place an order they must be in school by Thursday 19th November.

Anti-Bullying Week

Next week is Anti-Bullying Week and our theme is 'United Against Bullying'. We will start with Odd Socks Day on Monday, celebrating uniqueness and diversity. Can everyone wear their odd socks or crazy tights please. We will round the fun filled week off on Friday with Friendship Friday.

We love Maths

This week, we have been taking part in maths week along with lots of other schools across England. Everyone has enjoyed lots of practical activities, including using the giant grid on the hall floor for coordinates, directions, number bonds among many other maths topics. The children have had an amazing time – please take a look at all of the fantastic maths learning on our Facebook page.

As you know, on Tuesday we were advised that there had been a confirmed case of COVID-19 within the school. We identified all children who had been in close contact with the affected case and closed that Year group. The class teacher is in touch daily to set work for the children to complete and there is also work available for the children on the school website in the Year 2 section. Paper based activities can be delivered for any children who struggle to access online learning. Please let school know if you are struggling with online learning.

Working together, we succeed

Stay safe and well,
Miss K McCormack
