A message from the Headteacher

Dear parents,

It was great to see the students return safe and well after half term. This week seems to have flown by but we have got a lot done in school. We have started the lesson observation cycle and it is great to go into classrooms and see all the brilliant work that the teachers and students are doing.

Another highlight of this week for me was when I got the chance to accompany two of our Year 6 students to Chelsea Football Club. Aleks and Rayan’s poem was selected as a finalist in a competition with over 400 entrants. Their work is included overleaf but what that does not show is just how well the two boys represented the school in a public place. They were excellent ambassadors for the school.

Yours faithfully,

Brendan Shanahan

We’re hypnotised and paralysed
By the racism that stuck in our eyes
We all love diversity
It helps us think about equality

Respect is what we gain
It helps us spread our name
Martin Luther King helps us have a celebration
To spread equality all over the nation

We’re building bridges to share our love
To individuals whose lives are rough
We need colour to brighten our game
It would be boring if we were all the same

Things are changing but it’s too slow
We need diversity in order to grow
Thanks Chelsea for helping make a change
Diversity improves the game
