CHRISTMAS EVENTS

This year, due to current circumstances, our annual Christmas events will run a little differently. On Friday the 4th of December we will hold our Christmas Market in the school hall. Each class will have an allocated time to visit the market and purchase items that the classes have produced. Our nativity productions will go ahead with each class producing their own nativity. This will then be performed in the church and recorded with the link saved on Google Classrooms. This will mean only members of that class will be able to view the video. More information on both events will follow in the next few weeks.
