

# Friendship, the Greatest Treasure.

Thursday 20<sup>th</sup> September 2018

What do I have here?

Reveal what the treasure was!

# Have you ever been called a treasure?

- “She/he’s a little treasure...!”
- “They’re a diamond...!”

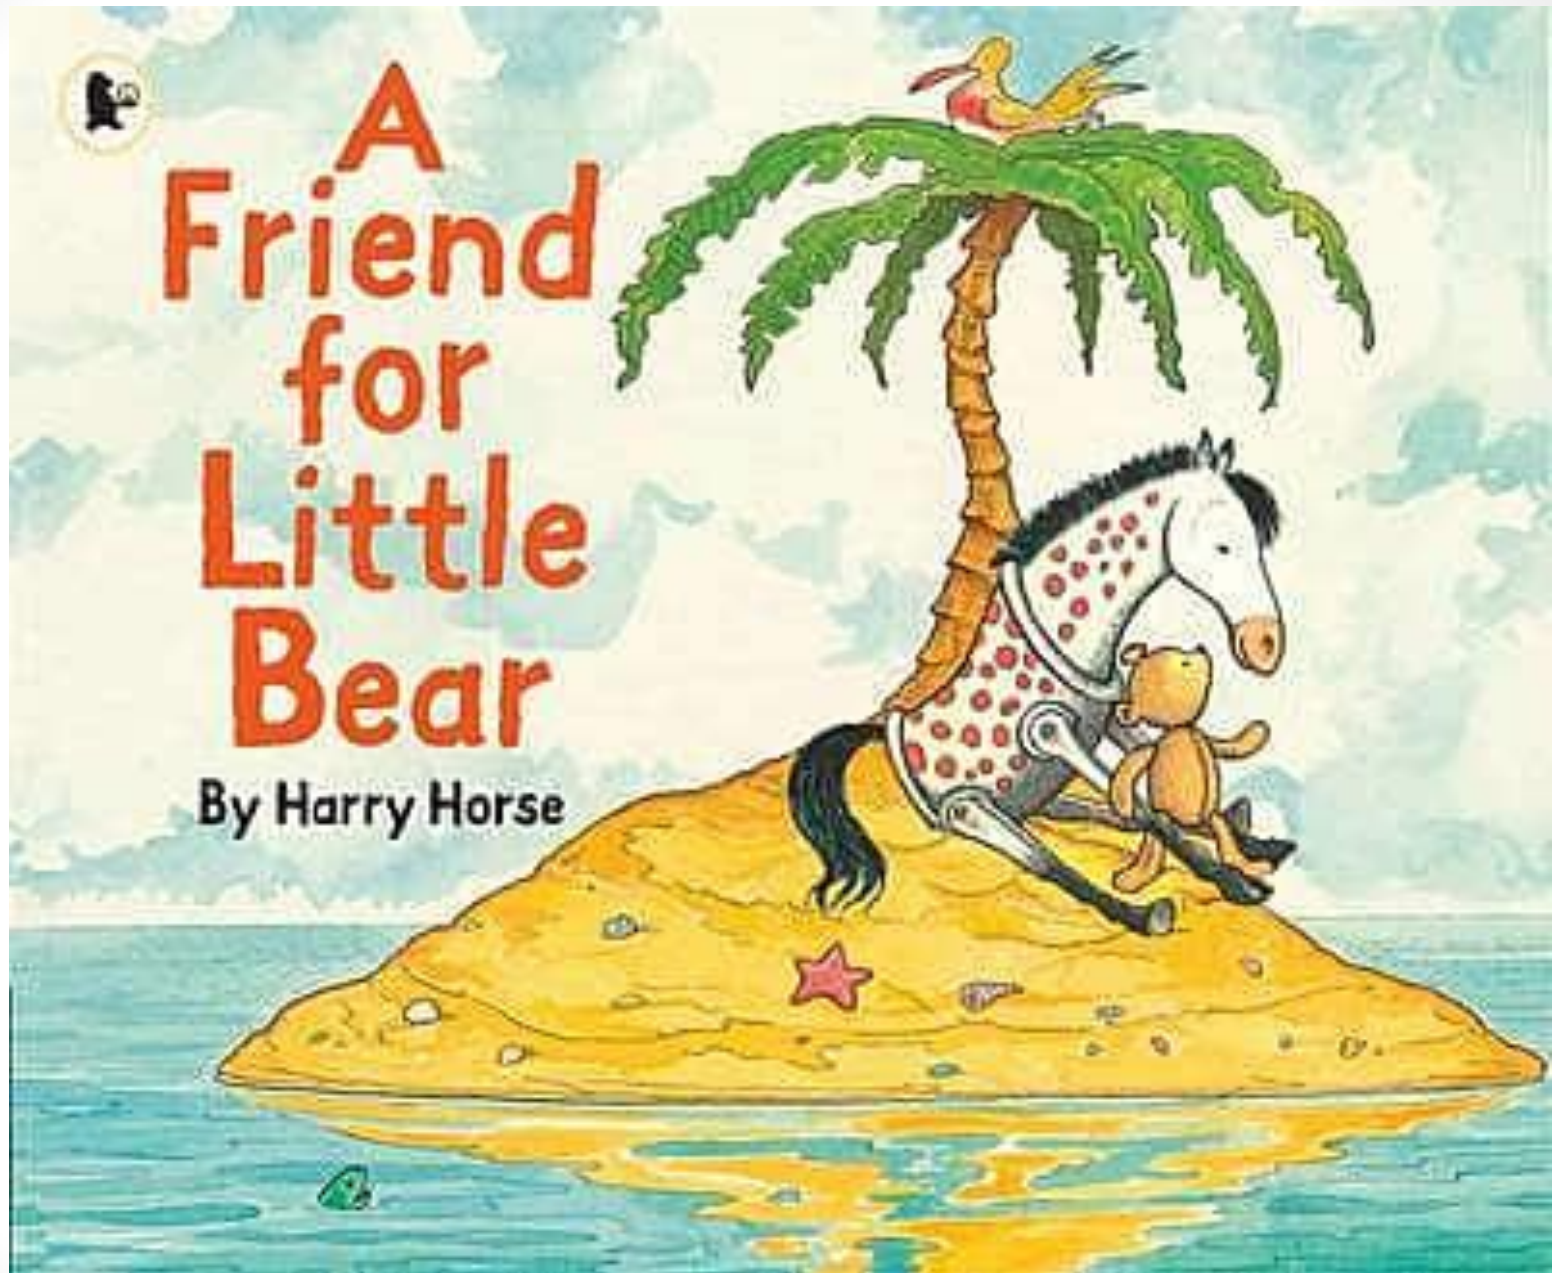

- What do people mean when they say this?
- How can people be “treasure”?

# A Friend for Little Bear

By Harry Horse

# How did Little Bear feel at the beginning?

- What did Little Bear feel that he needed?
- What do you think he really needed?
- When did he realise that all the objects that came floating in were not going to make him happy?

# However, we are surrounded by media that tells us a different story.

- Sometimes it seems very important to us that we collect the latest toys, or wear the most fashionable clothes. (E.g.)

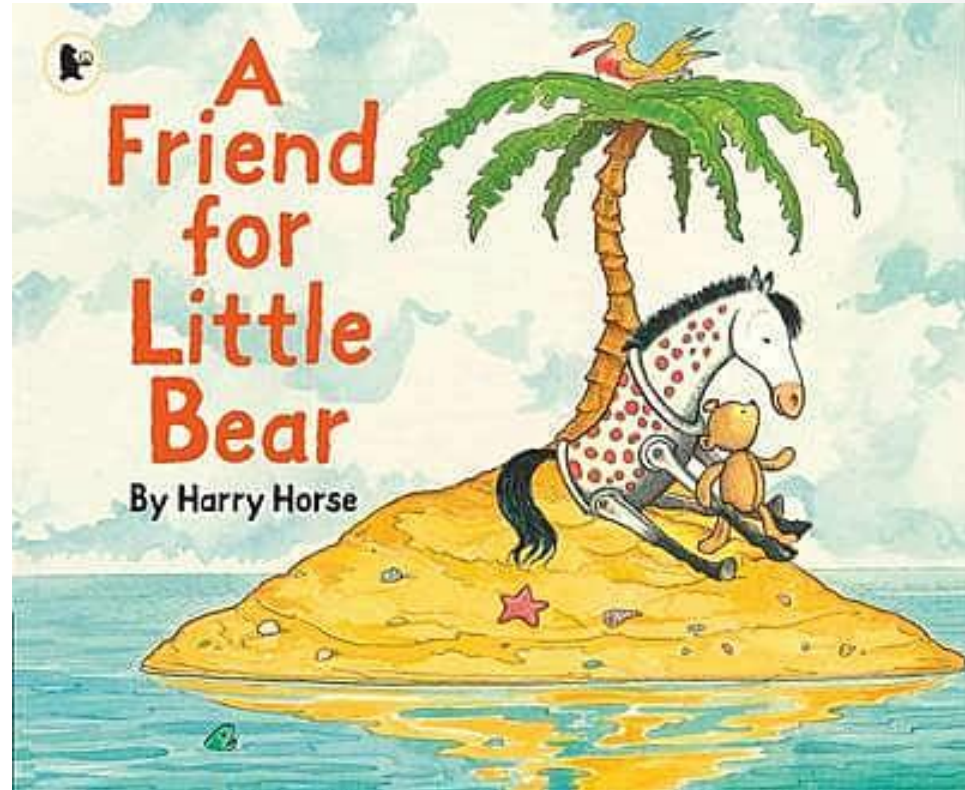

- Sometime adverts on the TV try to persuade us that we need their product to make us happy! (E.g.)

What does this story help us to understand?

**Friendship**

Friendship and compassion are more important than any things that we can possess.

# What has more value?

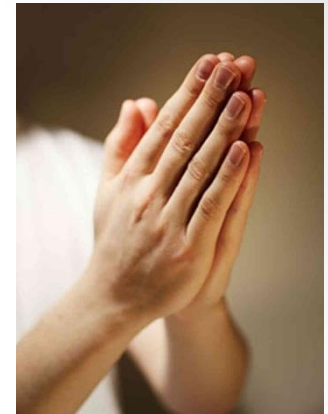

# Your thinking time

Who is precious or valuable (a treasure) to you because of their friendship?

# Prayer

Dear God,

Thank you for all the people who bring us happiness through their friendship.

Help us to find ways to show them how much we think of them.

Help us to value things more than people. Things come and go but a true friend will always be remain.

Amen

Of all possessions a  
friend is the most  
precious.
