A message from the Headteacher

Diary Dates

Dear parents,

It has been brilliant to welcome everyone back to school after what I hope was a great half term break. Teachers have been brilliant in booking many learning visits in for this half term to increase our students cultural knowledge.

I would also like to thank Francis Holland School as we approach World Book Day. They have provided us with multiple author events which will enrich the lives of our students. I am also looking forward to seeing all the different author based costumes that will arrive on Thursday. World book Day is a great opportunity to celebrate the fun in stories and the joy of reading, reading which is the cornerstone of academic achievement.

Yours faithfully,
Brendan Shanahan

Corona Virus

As I am sure you are aware the spread of the Corona Virus is concerning. I wanted to assure the school community that, in consultation with the governing body, the school is monitoring developments and following advice from the government, which is updated daily, on any course of action.

As a preventative measure we are using hand sanitiser in every class in the morning and in the afternoon to attempt to minimise the chances of any infections spreading.

We will keep the school community updated if there are any changes to government policy or if the school needs to take action on an individual basis.

Chicks in Reception

Eggs arrived into day and I am delighted to chicks growing happily to-class has been brilliant in learning about growth. booked in to see the want to bob into Recep-you are more than wel-
