Dear Parents and carers,

We have received some information concerning the Coronavirus from the Government, which we have been asked to share with you.

Coronavirus – Advice for all early years providers, schools and further education providers

“You should not be unduly worried about the possibility of your children catching the Coronavirus. There is no reason why your children should not continue to attend their early years, school or further education setting as normal. We recognise that some families or children may be planning to travel to China during the forthcoming half term period. If so, please refer to the FCO’s latest travel advice via the link below.
