Jack Petchey

Joshua was the winner of the half term's Jack Petchey award. His nomination is below

“Joshua has had an excellent first term in Beech class. We have seen a big improvement in Joshua's Behaviour. Joshua follows instructions and follows the class rules. Joshua has shown himself to be a really good friend to his classmates and Joshua is also very helpful in class. He will often be the first to volunteer to do jobs such as tidying up or delivering messages. He is good at taking turns and behaves in a mature manner. He has stopped hiding in places he shouldn't and listens well. He now sets a fantastic example for others at Greenvale to follow. “

Well done Joshua!

Recycling Project

Greenvale has a new School Council formed of students from across the key stages. Together they are working on a social action project with the support from the charity WE London. The students have decided to work on an environmental project and came up with the slogan 'Go Green for Greenvale!' They plan to reduce the use of single plastic water bottles on school trips, help to raise awareness about recycling in school, and complete a litter pick in school or the community. Please do get in touch if you would like to get involved with the project!
