

Greenvale School Pupil Premium 2019– 2020 Evaluation.

This academic year the school receives £56,055 Pupil Premium and year 7 top up. The following table shows how it will be spent.

The aim for this fund is to narrow the gap for young people from disadvantaged backgrounds. The indicator for this is those young people receiving free school meals.

There are currently 56 (49.12%) students on roll receiving free school meals. These students are evenly spread across classes and year groups.
