MESSAGE FROM MISS HURFORD

Welcome back and Happy New Year!
The children have returned from their Christmas break bright and bubbly, looking smart and ready to learn. Children have been making 'new years resolutions' reflecting on their efforts, progress and learning last term, making resolutions for what they feel they could do better. These resolutions are displayed in your children's classroom.

This is a short and jam packed term, so make sure you keep up to date with events and meetings.

Happy 2019

Thousands of people had their Christmas travel affected by disruption at London Gatwick airport. The airport's runway was shut down for more than a day after what were thought to be drones were spotted flying over it. Police continue to investigate what happened. The drones were first spotted on Wednesday 19th December in the evening and the airport's runway was closed at 9pm, causing the start of the delays and cancellations.

Things to talk about at home...

Have you ever used a drone or seen one being used? Do you think there should be an age limit for

flying drones and a license to use them?

At the moment, you aren't allowed to fly drones near airports. Do you think they should be banned

from any other places?

Recruitment Evening

Are you a passionate Early Years practitioner looking for the next step in your career or wanting to be part of a highly motivated, professional team who strive for excellence within our outstanding facilities?

Do you like getting out and about and sharing the joy of wonder, curiosity and mystery of the world we live in alongside children as we extend our classroom to the limits of our travels?

If this sounds like the opportunity for you come and see us on:
