Friday 25th January 2019

Aim for the highest.

Our vision:

Believing and achieving together to aim for the highest.

MESSAGE FROM MISS HURFORD

We have concluded parents evenings this week, which were well supported. Thank you for taking the time to value both the learning journey of your children and working with teachers to able your children reach their full potential. If you were unable to make parents evening, please speak to the class teacher to arrange an appointment. We are expecting 100% engagement, to ensure children receive the message that their education is important and we are all working together to achieve the best possible outcomes for every child.

There are whispers that snow is coming... a letter will follow via email to you all, with arrangements for bad weather. Hopefully it won't be too bad.

Best Wishes,
Miss Hurford

TERM DATES 2018/19

	Spring	Summer
Term dates	7th January—5th April	23rd April—24th July
Half Terms	18th –22nd February	27th—31st May

The Soil Association, the UK's leading food and farming charity, has criticised the government's £40million scheme to get school children to eat more fruit and vegetables. It argues that it is 'actually putting them off their greens'. The charity says pupils are being given produce lacking in flavour. It is calling for a review of the £40million a year School Fruit and Veg scheme which is currently just for schools in England, not Wales, Scotland or Northern Ireland.

Things to talk about at home...

- 🍎 How much fruit and vegetables do you have in your diet outside school?
- 🍎 What is your experience of the scheme (if any)? Have you enjoyed or not enjoyed the fruit and vegetables in school?
- 🍎 Do we think it is a good idea to offer free fruit in school? Do you think more children will eat more fruit and vegetables because of it?
