MESSAGE FROM MISS HURFORD

It's finally here, the end of a very busy but highly productive autumn term.

Well done to all the children for the wide variety of opportunities they have embraced this term, from ab-seiling, sewing organs to mastering long division.

A huge thank you to all the adults both in the immediate and wider school community. The opportunities the children are given are vast and we are fortunate the school is part of such a lovely community.

The Sampford teaching team has strengthened considerably this term and this has reflected on the outcomes for all children. We are all looking forward to continuing the extensive learning opportunities provided for the children into Spring term.

I'm sure you are all looking forward to this special time with your children. Have a very merry Christmas and I look forward to welcoming you all back in the New Year.

Merry Christmas!

Miss Hurford
