Dates for your diary:

6 January
Start of new term

Keep an eye out for the key dates document which will go out early in the new year.

Message from Sarah Price

I would like to thank everyone for making me feel so welcome. Sampford is an amazing school and I feel very privileged to be part of your child's educational journey. Have a fantastic Christmas and I will see you all next term.

Unfortunately, Gemma Scoynes will be leaving us today but I am sure you will join me in wishing her all the best in her new job.

First Steps

First steps have had a lovely final festive week creating some beautiful scratch board pictures and completing our stocking wish lists. Wishing you all a wonderful Christmas and a very happy new year!

Reception

We all really enjoyed making Christingles for the service on Monday. The children found it difficult to resist eating the goodies but did an excellent job of assembling them; Robin helped them to learn lots about the reasons why we make them too! This week has gone so fast but Darwin have still been giving their best to learn new vowel digraphs in phonics and Christmassy maths activities; they deserve a lovely rest over the holidays!

Years 1 and 2:

This week has been full of Christmas craft. We started off the week making our Christingles, with help from Robin and Reverend Glyn. We then took these down to the church and enjoyed lighting the Christingles and singing songs together. The rest of the week has continued to be craft themed! We have made Christmas presents for parents, decorative snow flakes and snow globe Christmas cards.

Years 3 and 4:

We have had a very exciting and creative time in Lewis Class this week. We have made some lovely 2020 calendars and everyone is very much looking forward to a well deserved break!. Happy Christmas everyone!

Years 5 and 6:

This week in Drake Class the children have been completing some wonderful stories about Christmas – using some super vocabulary to add feeling. In maths, they have been adding and subtracting fractions and brushing up a little more arithmetic knowledge. In the afternoon sessions, we have been creating a number of Christmas crafts – so keep a look out for them as gifts (I did not want to include any photos in case of spoiling the surprise!).

We would like to take this opportunity to say a very merry Christmas and a happy New Year and we look forward to seeing you all in 2020!

If you need to contact the head or SENDco please email sampford@ventrus.org.uk or phone the school to arrange an appointment.
