Drake: Elsie
Lewis: Oscar S

Seacole: The whole class
Darwin: Fleur

Stars of last week

Drake: Liam
Lewis: Marlie
Seacole: Ezio
Darwin/First steps: Clara

Golden Leaves

Drake: Emma
Lewis: Kate
Seacole: Bethany
Darwin/First steps: Arno

Message from Sarah Price

What a fantastic week of festivities. It was great to see the children so excited by Father Christmas' visit. It really has been a week of magical memories that the children will always remember, I am sure.

I would like to say a huge thank you to the PFTA for an amazing Christmas fair and all they have

done to support the school this term.

It is our Christingle & Christmas service at the church on Monday and we hope to see many of you there.

First Steps

First Steps have been very busy making lots of Christmas crafts this week and have spent lots of time practising for their Christmas Carol service this afternoon.

Thank you to everyone who could join us for our Carol service and we hope you all enjoyed it as much as the children did.

Reception

It has been an incredible week for Darwin class - they performed their first lower school Nativity, had a cracking Christmas lunch with their jumpers on, met Father Christmas and visited Killerton House to delve into the 'Night Before Christmas' event. I just wanted to share how proud I am of them all for throwing themselves into everything with such enthusiasm and effort!

Years 1 and 2:

What a busy week! Seacole class practiced their socks off to ensure that the Nativity was the best it could be and what a performance it was! Every one joined in, showed confidence and sang amazingly. After all their hard work, we had an exciting trip to Killerton. After learning the poem, Twas a night before Christmas, we explored Killerton house, played Christmas games and even sang a version of the poem as a song.

Years 3 and 4:

This week, we have been learning and exploring a poem called Christmas Long Ago. The children have created actions to go along with the words and have had a go at writing their own rhyming couplets!

Years 5 and 6:

Drake class had a great time last week at 'We the Curious' science museum in Bristol. The children had loads of opportunities to get 'hands on' with scientific ideas and experienced some really WOW moments. Thanks to the PTFA they took part in a light workshop run by the museum staff where they got to use ray boxes to manipulate light.

Also last week, the children worked in groups to design, make and create their own Christmas Fair games - thinking of the look and design of the game, the prizes and the cost. From our room alone we generated £145 for the PTFA!

This week the children have been writing some amazing sentences ready for their Christmas story next week. Merry Christmas everybody!

CONGRATULATIONS
TO
PEVERELL HOUSE!

If you need to contact the head or SENDco please email sampford@ventrus.org.uk or phone the school to arrange an appointment.
