### Workshops for Parents & Carers

DATE: 06/12/18      TIME: 13:15

VENUE: SAMPFORD PEVERELL C of E PRIMARY SCHOOL  
[BOOK VIA MRS GREENWOOD]

The EH4MH Service are delivering a workshop for Parents & Carers in the school community on Normal Magic. We would love you to join us!

EH4MH workshops are designed to show Parents & Carers how schools across the County have been working with the service to develop a mentally healthier environment for young people and staff.

We want you to hear about the work schools have done, get involved, be encouraged in how we can all live mentally healthier lives, be part of reducing the stigma surrounding all things mental health and be inspired to consider your part in culture change.

This workshop is on **Normal Magic** – it focuses on how we can use M.A.G.I.C. in our interactions with children and young people to help support their mental health, the importance of balancing our mental health & positive choices we can make in doing this. You will hear how you can work alongside school in supporting your child or young person's mental health, and learn more about looking after your own mental health!

Please contact Miss Hurford in school if you want to discuss this further.
