Learning Powers - Golden Leaves

Drake: Noah Tanton
Lewis: Ben Fewins-Hichens
Seacole: Henry Sturland
Darwin: India Jackson

Message from Sarah Price

I would like to wish you all a very warm welcome back to school for this academic year. Sampford Peverell is a wonderful school and I am very excited to be part of your child's learning experience. Everyone has been very welcoming and I look forward to getting to know you all better over the coming years!

Contact details: Please ensure that you have informed us of any changes to your contact details, including phone numbers, email and address. Lots of our school communication is sent via email and it is important that we can keep you up to date with relevant information.

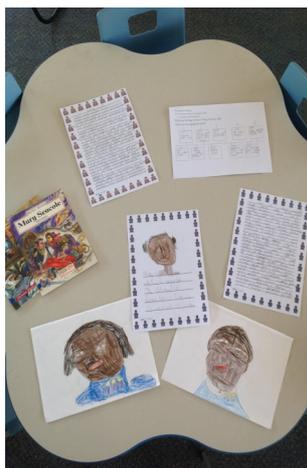

SOE3a forms were sent out recently and these need to be signed and returned to school.

Reception: Darwin have had a great first full week at school! We have been making new friends and getting to know our new classroom. To help us learn about the animal-loving scientist we are named after, we have been creating collages of animals. Can you tell what they are?

Years 1 and 2:

This week in Seacole Class we have all been getting to know each other and we have discussed what makes a great class. As we are named after Mary Seacole, we have been researching facts about her life and the impact she had on the Crimean war. We have made time lines, drew portraits of Mary Seacole and have written facts about her.

Years 3 and 4:

Lewis Class have had a brilliant start to a new school year! We have enjoyed learning lots of facts about C.S Lewis - did you know that he wrote The Chronicles of Narnia?

Years 5 and 6:

This week the children in Drake Class have been learning about their class namesake - using atlases to plot the route Sir Francis Drake took when he circumnavigated the World. We have also been looking at Roman numerals in maths and have begun to explore our new text: The Tear Thief.

Year 6:

Y6's Grenville residential is fast approaching. Please ensure SOE3 forms have been sent back and any final payments are made. Mr Snow will be offering a talk to parents and information about this will be sent out next week. This will give parent/carers a chance to ask any questions about the residential.
