### Message from Sarah Price

Welcome back everybody. I hope you managed to spend some time with your families over the break and that the children are refreshed and ready for the busy term ahead.

Next week, there will be the chance to donate to the Royal British Legion as some of their merchandise and poppies will be

available.

On Friday, we hope that you are able to join us at the church for our Remembrance Service.

### First Steps

This week First Steps have been learning all about Diwali. The children have enjoyed listening to stories about the Hindu festival and have had a go at making their own Diya Lamps using play-dough and Rangoli patterns with coloured rice.

### Reception

This week Darwin have been learning even more letters and sounds and practising their writing every day. Everyone's favourite activity was practising letter formation in the shaving foam!

### Years 1

This week we have been reading Traction Man is here by Mini Grey. We have created story maps and thought about what verbs are used to describe what traction man is doing.

### and 2:

### Years 3 and 4:

This week, Lewis Class have been learning about Mary Anning's contribution to Palaeontology. We are very excited to be visiting her birthplace. We will be following in her footsteps to search for fossils as she did!

### Years 5 and 6:

In Drake class this week we have started our new topic on the Ancient Greeks. The children have been gathering information about Alexander the Great from a number of sources and looked at maps showing his empire into Persia.

In PE we have started a block on gymnastic – focussing on 4 basic shapes and how to use them to create a routine on both the floor and on apparatus.

CONGRATULATIONS  
TO  
PEVERELL HOUSE!

### Tiverton Lantern Parade

In preparation for making our lanterns, we are asking for donations of two litre bottles (cleaned) without wrappers. We also need some pressed leaves, if you have some spare time.
