MESSAGE FROM MISS HURFORD

Dear Parents and Carers,

Well done to all the children who achieved 'Stars, Mathematician and Writers' of the week.

The children have been introduced to their first 'learning power' this week. Hopefully the children have come home telling you about 'Resilient Tortoise.' The focus being, to be a tortoise, we need to not give up when things get difficult and not always choosing the easiest option. Parents and carers will be invited to a workshop to explain the introduction of 'learning powers' throughout the school.

Thank you for your continued patience regarding communication. Mrs Greenwood is managing well in a very stressful start to the term, where she is learning new processes and systems daily. The role of administrator is vast and as we all know, starting a new position can be overwhelming, if patience is not shown.

Miss Hurford

Afterschool Clubs

We have had some parents requesting when a list of afterschool clubs will be available. Due to the very small teaching team at the school and the amount of training and meetings which occur after school each day, teachers are unable to provide free clubs. We do have a football club for KS2 children, provided by 'Saints Sports.' Please see Mrs Greenwood if you've missed the letter sent home and would like your child to attend.

We've established links with 'Kingwood' in Uffculme, who provide afterschool care and a 'pick-up' service. Please contact them for further details.

Miss Salter is considering providing an after-school club for a small charge, more details to follow shortly.

Breakfast Club

Please be aware that we cannot accept children that are not registered on our breakfast club list. Please can parents and carers complete the breakfast club booking form each term, in advance, even if your children are frequently attendees.

We have a legal capacity that we cannot exceed. If we have not received a completed booking form in advance, then I'm afraid your child will not be able to attend.

Well done to all the children that put themselves forward for a role and responsibility within the school. The roles of: Play leaders, Peer mediators, Librarians, House Captains and School Councillors have all been allocated through a democratic process (children voted). Full lists of names of children who hold these responsibilities will be sent out as soon as we have received all forms. Ethos team will be announced next Monday.
